

Our Program

Do you rent or own a home in Virginia?

Does your home feel uncomfortable or are your energy bills too high?

Community Housing Partners (CHP), founded in 1975, is a Virginia-based non-profit headquartered in Christiansburg, VA.

CHP Energy Solutions provides government funded and utility-sponsored programs across Virginia. Programs deliver home repairs and energy efficiency improvements at zero-cost to qualifying residents, landlords, renters, and homeowners.

CHP Energy Solutions partners with Contractors to deliver these services and fulfill our mission.

Program Benefits:

- Upgrades at ZERO-COST
- Enhances home comfort
- Reduces energy bills
- Improves health & safety
- Extends life of home energy systems

"We hadn't had heat or air in about 4 years. The unit was 34 years old. We had space heaters all over the house, it wasn't energy efficient.

Now our home feels great and has made a huge improvement with our health."
